## WORK EXPERIENCE

**EXL** (AU Insurance Account) **Pasay City, Philippines**
**Subject Matter Expert & Insurance Account Specialist** August 2025-Pr. time

- Assisted customers through inbound and outbound calls, addressing inquiries and providing accurate account and policy-related information.
- Managed email correspondence and client concerns, ensuring timely and appropriate resolutions.
- Performed administrative tasks, including spreadsheet management, tracker updates, and monitoring team workflows.
- Provided accurate process guidance and real-time support to team members to ensure compliance with established procedures.
- Assisted agents in handling complex concerns through coaching, process clarification, and problem-solving. Monitored team performance and reinforced quality standards to maintain operational efficiency and KPI targets.
- Supported team productivity by ensuring timely handling of mailbox tasks and administrative deliverables.

**TSD Global** (US Telco Business Account) **Taguig City, Philippines**
**B2B Sales and Retention Associate** January 2025-August 2025

- Handled B2B customer inquiries and service concerns, focusing on account retention, customer satisfaction, and relationship management.
- Applied consultative sales and retention strategies to address customer concerns, recommend suitable solutions, and prevent service cancellations.
- Reviewed customer accounts, identified available discounts and plan adjustments, and provided tailored solutions to improve customer value.
- Utilized consultative selling techniques to promote relevant products, services, and plan upgrades based on customer needs.

**TSI** (US Utility Account) **Pasay City, Philippines**
**Billing & Sales Representative** January 2024-January 2025

- Assisted customers with billing inquiries, account concerns, and electricity service-related requests.
- Provided guidance on Budget Billing, energy efficiency programs, and state-sponsored financial assistance.
- Identified sales opportunities by understanding customer needs and recommending relevant products and services.
- Utilized consultative selling techniques to address customer concerns, improve service value, and drive sales conversions.
- Investigated electricity usage and billing discrepancies by reviewing meter readings, consumption history, and account records to identify unusual usage patterns and potential billing issues.

**Foundever** (US Financial Bank) **Makati City, Philippines**
**Fraud Specialist** January 2023-January 2024

- Assisted customers with lost or stolen credit cards, unauthorized transactions, and account security concerns.
- Reviewed transaction histories to identify unauthorized charges and investigate reported fraudulent activities.
- Reported suspected fraudulent transactions and initiated appropriate account security procedures.
- Secured compromised accounts through card blocking, replacement requests, and transaction dispute reporting.
- Resolved sensitive banking concerns through effective communication, problem-solving, and customer-focused support

**Teleperformance** (US Healthcare Account) **Pasay City, Philippines**
**Customer Service Advocate** July 2022- January 2023

- Assisted healthcare members with inquiries regarding insurance benefits, eligibility, claims, billing, and plan coverage.
- Provided accurate information on healthcare policies, coverage details, and authorization requirements while maintaining confidentiality and compliance
- Handled appointment scheduling and coordinated in-network provider visits based on member needs.
- Addressed billing and prescription-related concerns by reviewing member accounts and identifying available options and alternatives.
